STAT

Since our recent conversation, I have brought your resume to the attention of potentially interested officials of our organization.

It is only occasionally that we have an opening for an executive or senior professional man and, when one does occur, it usually requires experience or training in a particular field. At present, there seems to be little, if any, prospect of an opportunity which would take advantage of your talents and skills.

We appreciate your interest and shall be glad to advise you if an appropriate opening develops later.

Sincerely,

Gordon M. Stewart
Director of Personnel
